Sir:

The Examiner is requested to consider the references noted on the enclosed Form PTO/SB/08A and B during examination of the above-identified patent application. These references are submitted for the Examiner's consideration and are submitted pursuant to the duty of disclosure under 37 C.F.R. § 1.56. In submitting these references, no representation is made or implied that the references are or are not material to the examination of the application. The Examiner is requested to review the cited references and is encouraged to make his or her own determination of materiality of the references cited on the enclosed Form PTO/SB/08A and B. Pursuant to the requirements of 37 C.F.R. § 1.98(a)(2)(ii), only copies of the foreign references and non-patent literature documents are provided. Copies of the U.S. patent and U.S. patent application publication references are not provided, unless required by the Office.

In satisfaction of the duty of disclosure under 37 C.F.R. § 1.56, and as required by M.P.E.P. § 2001.06(b), the Examiner is required to consider the following applications commonly owned by the Applicant of the present application and that may include subject matter similar to that of the present application:

Thirteen (13) nonpatent literature documents are cited on the enclosed Form PTO/SB/08A and B. Because some of these documents are voluminous and, for the ease of the Examiner, three of the nonpatent literature documents are being provided on a compact disk (CD). The remaining nonpatent literature documents are provided by hard copy, pursuant to the requirements of 37 C.F.R. § 1.98(a)(2). The content of the enclosed CD is described as follows:

1. Reexamination Application No. 95/000,212 filed January 5, 2007, including the reexamination application and three volumes of related exhibits. The three volumes of exhibits are stored on the CD in sections, e.g., Vol. 1-3, Vol. 2-3, Vol. 3-3, etc. Exhibit II-C-4-a of the reexamination application is a copy of source code which itself was filed with the reexamination application as a CD. The source code is identified on the CD enclosed with this Information Disclosure Statement as "Pathfinder source code 1-3.Z, Pathfinder source code 2-3.Z and Pathfinder source code 3-3.Z" and appears as the second, third and fourth items on the CD.

2. Hall, D., et al., Building a Website: The Programmer's Guide to Creating, Building and Maintaining a Web Presence, First Edition, April 1995.

3. Pathfinder Source Code, 1385 computer files representing the source code for a software application called "Pathfinder." Again, this source code is identified on the enclosed CD as "Pathfinder source code 1-3.Z, Pathfinder source code 2-3.Z and Pathfinder source code 3-3.Z" and appears as the second, third and fourth items on the CD.

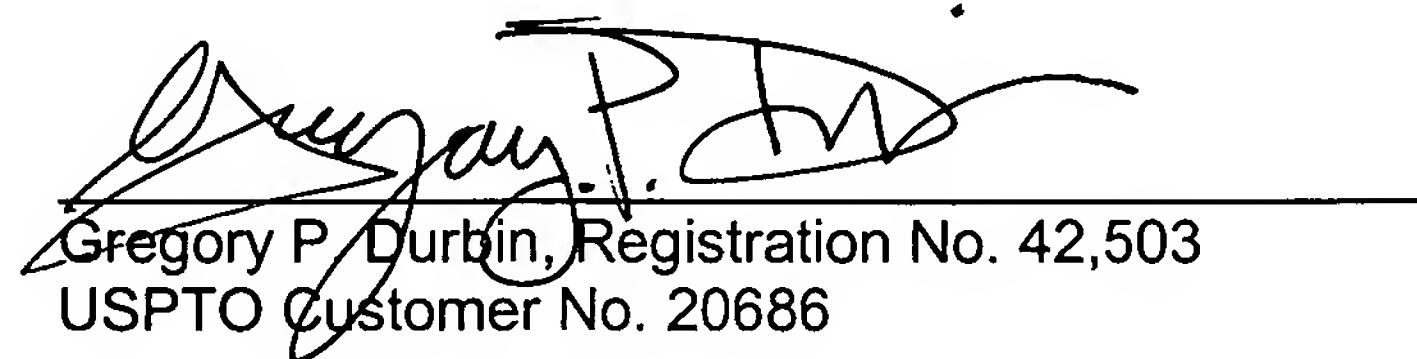

These references and the reexamination request (95/000,212) itself were submitted in reference to U.S. Pat. No. 7,089,224, to which this application is related.

This Supplemental Information Disclosure Statement is being filed after the period specified in 37 C.F.R. § 1.97(b), but before the mailing date of either 1) a final action under 37 C.F.R. § 1.113, or 2) a notice of allowance under 37 C.F.R. § 1.311. Pursuant to 37 C.F.R. § 1.17(p), please charge \$180.00 to Deposit Account No. 04-1415. If any additional fees are deemed necessary, such fees may also be charged to Deposit Account No. 04-1415.

If the Examiner has any questions, please contact the undersigned attorney.

Signed this 3 day of December, 2007.

Respectfully submitted,
